

# Perceptions of Retrospective Edits, Changes, and Deletion on Social Media

Günce Su Yılmaz<sup>1</sup>, Fiona Gasaway<sup>1</sup>, Blase Ur<sup>1</sup>, Mainack Mondal<sup>1,2</sup>

<sup>1</sup> University of Chicago, <sup>2</sup> IIT Kharagpur

**Social media posts** can be retrospectively **edited or deleted**

- Protect privacy, remove regrettable posts, fix mistakes
- May be unacceptable to others who interacted with the post

We studied *when* users consider mechanisms for retrospective changes *acceptable or unacceptable* and how to improve these mechanisms.
