

# Call me. sexist but...

Mattia Samory  
Indira Sen\*  
Julian Kohne\*  
Fabian Floeck  
Claudia Wagner

- a multidimensional **codebook** of sexism
  - a **gold standard** dataset of 800 items from psychological scales of sexism
    - **2 annotated datasets** of sexist tweets
      - **adversarially augmented** data to nudge NLP models to identify what is (actually) sexist about them
- ...find out how BERT scores on psychological scales for sexism
